### **Sunday, June 21 – Father's Day**

Dear Lord, we thank you for the gift of fathers, both biological and spiritual. Bless them with wisdom, health, patience, and joy as they care for their families. Please comfort those who are grieving or missing their father today and surround each family with your peace and love. Amen.

### **Monday, June 22**

Dear Lord, thank you for keeping us safe, blessing us with good health and all the things we take for granted. Lord, please bless us in building good relationships with you, with Jesus, with friends, the church, and its congregation. In Jesus' name. Amen.

### **Tuesday, June 23**

Lord Jesus, you came into the world as more than we could hope for and imagine. You came not waging wars and overthrowing governments, but infusing peace into the world and healing sickness. You rebuked the powerful in the world, and you sought to be with the least, the last, and the lost. You allowed the world to crucify you so that the world would be saved. Thank you for showing us that worldly ways do not last while heavenly ways lead to eternity. Amen.

### **Wednesday, June 24**

Heavenly Father, we pray for those who have lost a loved one and are grieving. We pray that you would heal their broken hearts and fill them with joyous memories of their loved one. We pray that you would give them the peace of knowing that you are holding their loved one in your eternal care where there is no more pain and no more tears. Amen.

### **Thursday, June 25**

Dear Heavenly Father, your power and glory are everywhere to behold if we pause and observe. We give you thanks and praise for all of this, but also your quiet gifts of love and hope. In this busy world, we find it hard to stop and think about your will. Help us to use the time we have wisely and quietly show others your strength and love. Amen.

### **Friday, June 26**

Good and gracious God, help us to remember that we are your beloved children. When we are tempted to prove our worth on our own, all we need to do is remember that we belong to you. We love you and pray this in Jesus' name. Amen.

### **Saturday, June 27**

Dear God, we pray for those feeling alone and lost. We especially pray for our youth and the communities that surround them. We pray for good communication and wise counsel for our youth. Help us to break through the silence and connect with those who are struggling to find their way. Amen.

### **Sunday, June 28**

Heavenly Father, we thank you for our church and the blessings you bestow on us. We thank you for the church staff and volunteers who do such a wonderful job of leading and making things happen. We ask for your continued guidance as we work at spreading your message and being examples for others. Amen.

### **Monday, June 29**

Lord Jesus, when we see a need, move us to help. When we see an injustice, guide us to stand for what is right and good in your eyes. When we see brokenness, move us to help your healing process. Work through us to bring Kingdom change. Amen.

Heavenly Father, as this month ends, another month will begin. Thank you for the lessons learned and the times of celebration. Guide us to continue our journey of faith and the work of sanctification within us. We praise your holy name. Amen.
