Growing Together in Generosity

Every day at St. Luke's, lives are changed because ordinary people choose extraordinary faithfulness. Every prayer **offered**. Every hour **volunteered**. Every meal **served**. Every dollar **given**. Our vision remains as **bold** as ever – to see our city transformed by the love of Jesus. Together, there's no limit to the number of lives we can touch and the hope we can share.

IMAGINE WHAT WE CAN DO TOGETHER IN 2027!

ADDITIONAL OR INCREASED GIFTS IN 2027

- Gifts in 2026
- New or increased gifts in 2027

If you are able, consider increasing your pledge. Every increase strengthens the ministries of St. Luke's. If you aren't currently giving, we invite you to prayerfully consider taking that step. **Every gift matters.**

Every Gift, An Expression of Faith

FOR OUR CHURCH

Your gifts make possible weekly worship and Communion, baptisms and confirmations, weddings and funerals, pastoral care during difficult seasons, and ministries that nurture children, students, and adults. They also create opportunities for Bible study, fellowship, music, and provide the people, places, and resources that allow us to be a caring community of faith for one another.

FOR OUR COMMUNITY

> We may have built a pergola, but what we're really building is trust. Projects like this show our neighbors that St. Luke's is here, that we care, and that we're committed to this community for the long haul.

Your generosity allows St. Luke's to give ourselves away in service and share God's love with others. Through outreach ministries, mentoring programs, food assistance, Wednesday Night Fellowship, and countless acts of service, your gifts help us respond to the needs of our neighbors. Together, we move closer to our vision of a *city transformed by the love of Jesus*

FOR OUR FUTURE

Your generosity helps St. Luke's prepare for where God is calling us next. Gifts provide the resources to welcome new people, develop new ministries, maintain our sacred spaces of worship, invest in the next generation, and respond to new opportunities for ministry. By giving today, we help ensure that St. Luke's can continue to grow, adapt, and share Christ's love for generations to come.

> Students want support and affirmation, so I try to simply be there—to let them know I'm around and interested in them. But as I follow along with their lives, they shape me, too. I would be happy to grow in my faith and outlook as fast as they do. I'm very blessed to spend time with them.
