

Looking for a Scripture+Shared Group? Beginning the week of October 11-November 15

In Christ: The Book of Ephesians

Ephesians is Paul's answer to a hard question: how do totally different people become one family? This fall's six-week Scripture+Shared study traces the story of who we are in Christ, to how we're meant to live with each other, to what it takes to hold onto that identity when life pushes back.

Find a Group:
