

Neighborhood Groups

Fall 2025
Beginning the week of October 5

We invite you to gather around the table with other adults in your neighborhood. You'll share a meal together (potluck-style) and share stories of what God is doing in your lives. Please register using the link below, and Katie Brown will follow up with you in the next week with a food signup and more details. We are excited to continue to gather as the family of God.
