

St. Luke's Livestream: How To Check In

1 On a laptop? From the livestream web page, click "Check In."

This will take you to the "Guest Sign In" page where you can submit your information and be counted.

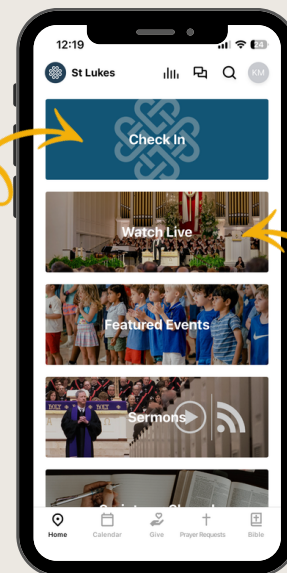

Please note: You will need to navigate back to the livestream tab or click on your livestream link again to get back to the service.

2 On the app?

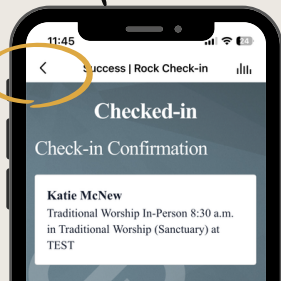

First, check in by clicking "Check In" and following the steps.

You'll need the last four digits of your phone number.

After you've checked in, click the "back" arrow in the top left corner to navigate back to the app's home page.

Next, click "Watch Live" to select your service.

3 On YouTube?

There is no direct link to check in through our YouTube channel.

The best way to be counted would be to download the app, check in from there, and then stream the service in whichever way you choose.

You may also check in on our website:
