

How to livestream St. Luke's worship services

*There are three simple ways to access the St. Luke's livestream on Sunday morning.

1 Go to www.stlukesmethodist.org

Hover over the word "Livestream" at the top of the webpage, and click which service you'd like to see. (Make sure no volume controls are muted.)

2 Download the App

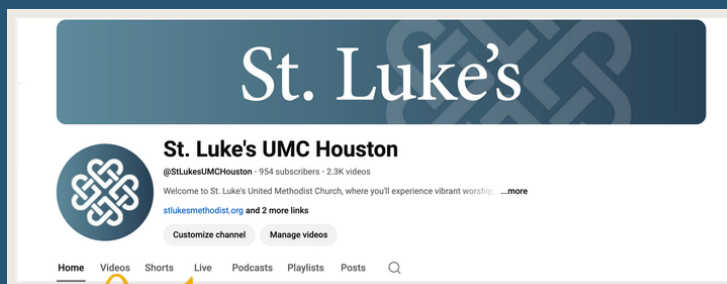

Search for **St. Luke's UMC Houston** in your app store or on this website: subsplash.com/stlukesmethodist/app

The icon looks like this ...

In the app, you can also check in, watch past sermons, send prayer requests, give, and more.

3 Find us on YouTube

Search for **St. Luke's UMC Houston** in the YouTube app or visit www.youtube.com/@stlukesUMCHouston directly.

Click the "Live" button on Sunday morning to see the streaming services.

If you missed the livestream or want to rewatch, you can click the same "Live" button to see our library of past services on demand.
